

Curriculum Vitae

Fenna Hendrika Poletiek, PhD

Current positions

Senior Investigator Max Planck Institute for Psycholinguistics
Wundtlaan 1 | Room 326
6525XD Nijmegen
Tel +31(0)24 3521256

Asst Professor
Leiden University, Institute of Psychology
Wassenaarseweg 52 | Room 2B24 | 2333AK Leiden
Tel +31(0)71 5273641
Pobox 9555 | 2300RB Leiden – Netherlands

Visiting Professor
Newcastle University Institute of Bioscience |Henry Wellcome
Building
Framlington Place | UK
Newcastle upon Tyne NE2 4HH
Newcastle UK

Court expert in Cognitive Psychology
Registered at the Netherlands Register for Court Experts
Nederlands Register van Gerechtig Deskundigen NRGD

Family

Married; 3 daughters (born 1994, 1996, 1998)

Languages

Dutch: native

French: native

English: fluent (C1 in terms of the *Common European Framework of reference for Languages*)

Spanish: good

German: good

Education

- High School:
 1970-1976 Cité Scolaire d' Amiens, France
 1976-1977 Gymnasium β, Drachtster Lyceum, Drachten, The Netherlands
- Undergraduate
 1985 Master (Drs) degree at Groningen University
 Thesis: *Assessment of legal responsibility of mentally ill offenders.*
 Thesis supervisor: Prof. Dr W.K.B Hofstee
- PhD: University of Amsterdam
 Department of Psychological Methods
 1992 Dissertation: *Hypothesis Testing behavior; a theoretical and experimental study*
 PhD director: Prof. Dr G. Mellenbergh

Professional Experience

- 1986-1987 Researcher and methodological consultant at the Department for Social Work, University Groningen
- 1987-1991 Researcher (AIO) at the department of Psychological Methods, University of Amsterdam
- 1992-1993 Assistant Professor Department of Linguistics, Tilburg University.
- 1993- 1995 Assistant Professor Department of Cognitive Sciences/ Leiden University.
- 1995-1997 Senior Researcher at the Netherlands Institute of Mental Health Care (Trimbos Instituut). Evaluation Study of the law on coercive hospitalization (BOPZ), ordered by the Ministry of Justice.
- 1997-2004 Fellow of the Royal Netherlands Academy of Arts and Sciences ('Academie-onderzoeker') at the Department of Cognitive Psychology, Leiden University.
 Research project: *Learning complex grammatical structures: An Artificial Grammar-learning Approach.*
- 2006-2013 Member of the National Expertise Group for Legal Cases of Sexual Abuse. ('Landelijke Expertisegroep Bijzondere Zedenzaken')
- 2004-present Asst Professor at the Department of Cognitive Psychology, Leiden University.
- 2011-2019 Associate Researcher at the Max Planck Institute of Psycholinguistics, Nijmegen
- 2019-present Senior Investigator at the Max Planck institute for Psycholinguistics Neurobiology of Language Group (NBL)
- 2019-present Visiting professor at the Institute of Neuroscience, Newcastle University

(Inter)national collaboration

- Prof. Dr Carel Stolker, Faculty of Law, Leiden
- Prof. Dr Nick Chater, UCL, Cognition and Decision Making Institute, UK

- Prof. Dr Morten Christiansen, Cornell University, NY, Cognitive Science Department, and External Prof. at Santa Fe Institute for Complexity, USA
- Prof. Dr Pdraic Monaghan, Lancaster University, Cognitive psychology, UK.
- Prof. Dr Tecumseh Fitch, University of Vienna, Cognitive Biology Department, Austria. Advanced Grant holder ERC
- Prof. Dr Maryellen MacDonald, University of Wisconsin at Madison.
- Prof. Dr P. Hagoort, Director Max Planck Institute of Psycholinguistics, Nijmegen.
- Prof. Dr A Meyer, Max Planck Institute of Psycholinguistics, Nijmegen
- Leiden University Centre for Linguistics, Leiden. LUCL
- Dr Bruno Bocanegra, Erasmus University Rotterdam.
- prof dr Chris Petkov. Institute of Neuroscience, Newcastle University, UK.

Selected visits and financially supported invited lectures:

- 2002 "Small group meeting on Cognition as Sampling", Hosts: Prof. Dr Peter Juslin and Prof. Dr Klaus Fiedler.
- 2002 visit to Prof. Dr Peter Juslin, University of Umea, now at Uppsala University, Sweden.
- 2004 to Prof. Dr Nick Chater, Prof. of Cognitive and Decision Sciences, University College London- 2006 to Prof. Dr Pierre Perruchet, Director CNRS laboratoire de Psychologie Cognitive, Université de Dijon, France
- 2010 invited by Prof. Dr T. Fitch (" ERP advanced grant" holder, University Vienna) for the workshop on new methods for studying recursion learning, at the Max Planck Institute for Psycholinguistics. Invitation funded by the ERC grant.
- 2012 Invited speaker in the Lorentz Center Workshop, on *Development in Childhood and Adolescence* January 9-13, 2012, financed by the Lorentz Centre, Leiden.
- 2013 Invited participation to the workshop on *Artificial Grammar Learning: Learnability, Complexity and Meaning*, Tübingen, Germany
- 2013 August-December: *Invited Honorary Fellow* at the Department of Psychology, Cognitive Neuroscience of Language Lab (Prof. M. McDonald and Prof. M. Seidenberg) at the University of Wisconsin, Wisconsin, USA
- 2011-2015 (various periods of 2 to 4 months) Associate Researcher at the Max Planck Institute of Psycholinguistics
- 2015 Invited participant at the Lorentz Center Workshop (Organizers Prof. M. Christiansen, Cornell University; Dr Stefan Frank University Nijmegen; Dr. Karl Magnus Petersson, MPI, Nijmegen), on *Reappraising the role of linear structure in language*. September, 14-17, 2015, financed by the Lorentz Centre, Leiden.
- 2015 Invited Keynote lecture at the *Workshop on language acquisition*, Tübingen, University of Tübingen, 10 December 2015
- 2016 3-months visit of prof dr Michael Frank, Stanford University, USA, Language and Cognition Lab.
- 2017 Invited Speaker at the Codart Conference in Madrid, Prado Museum, on experimental research on authentication of 17th century art. June 14, 2017. <https://www.codart.nl/our-events/codart-negentien/downloads/fenna-poletiek/>
- 2018 Invited talk at SCALAB, University Lille, France
- 2019 Invited presentation at MPI Leipzig, Germany
- 2019 Invited lecture at the Institute of neuroscience, the Medical School, Newcastle University

Other Professional activities

Registered Expert Witness

For Cognitive Psychologist. In the Netherlands Register for Experts in Court (NRGD- geregistreerd - *Nederlands Register voor Gerechtig Deskundigen*)

Member of:

- Psychonomic Society (APA)
- Association of Psychological Science (APS)
- European Society for Cognitive Psychology (ESCOP)
- Cognitive Science Society (CSS)
- Leiden Institute for Brain and Cognition LIBC
- Language and Cognition Group, LACG, Leiden University
- Society for Judgment and Decision Making (JDM)
- European Association for Psychology and Law (EAPL)

Symposium organization:

- At the ESCOP 2006 meeting: Implicit Learning
- At the Lorentz 2012 Workshop on Language Acquisition.

Editorial Board

- *De Psycholoog*, 2000-2005
- *Psychologie en Maatschappij* 1990-1995

Past five years Reviewer for (selected Journals)

- *Cognition*
- *Quarterly Journal of Experimental Psychology*
- *Cognitive Science*
- *Thinking and Reasoning*
- *Journal of Experimental Psychology*
- *Psychological Research*
- *Frontiers in Psychology*
- *JEP*

Selected Scientific Review Committees

- NWO VIDI-committee 2006 & 2007
- Research Committee, Institute of Psychology, Leiden University 2010-present

Outreach

Member of the National Experts Group for special legal cases of sexual abuse (LEBZ) appointed by the Ministry of Justice. This group advises the Court, Police investigators, and the Prosecution, regarding special cases of sexual abuse (for example, accusations based on recovered memories or testimonies by young children).

Invited lectures for a broad audience (selected):

- Lectures for Studium Generale, Leiden(2010)
- Talks for Science café, Nijmegen (2013)
- Lecture at the annual meeting of the International society of curators of Netherlandish and Flemish 17th Century paintings, on judging authenticity of paintings. June 2016.

Collaboration with

- National Police Agency (developing innovative methods for police investigation; advising on witness reports)
- Booymans van Beuningen Museum and CoDart (International society of curators of Netherlandish and Flemish 17th Century paintings) (Judging the authenticity of art; recognizing styles)
- Articles for broad audiences in
NRC
De Gids
De Psycholoog
De Mare (Leiden University)
UL Blog <https://www.leidenpsychologyblog.nl/contributors/fenna-poletiek>

Administration

- 1984-1987 Undergraduate Student representative at the Faculty board, Groningen University
Member of the Studium Generale Committee, Groningen University
- 1994-1996 Chair of the Cognitive Psychology Unit at the University of Leiden (UL)
- 2006-present Member of the scientific committee of the Institute of Psychology (UL)
Member of the board of the Unit for Cognitive Psychology (UL)
Chair of the Library committee of the Institute of Psychology (UL)
Member of the Studium Generale Committee (UL)
Elected representative at the University Council (UL).

Earning

Grant applications under review

'Free Competition' program NWO – Social Sciences and Humanities

Poletiek, Hagoort & Bocanegra "The enlanguagement of the body: the effect of language structure on perception" € 800.000

Grants and fundings acquired:

Netherlands Society for Brain and Cognition.	
Student Conference award for RM student Lukas Kunz 2022	€ 500
National Federation of Unions. FNV (2020)	
" <i>The Behavioural effects of a Basic Income</i> "	€ 100.000
Grass Roots, grant for teaching innovation 2018	€ 1.500
Travel Grant Leiden University Fund 2009	€ 2.000
2-yrs Post doc grant from the Niels Stensen Stichting. for Post Doc (2007)	€ 100.000
PhD project Open Competition NWO 2005	€ 230.000
PhD project from Leiden University Stimuleringsfonds 2002	€ 150.000
PhD project via Internal Competition Department of Psychology 2003	€ 150.000
Neth. Royal Academy of Arts & Sciences (KNAW)-fellowship	€ 250.000
2000 NWO Publication supporting grant for monography	
'Hypothesis testing behavior (2001)' (see publications)	€ 10.000

Prizes & Awards

Prize for the best article of the year at
Maandblad for Geestelijke Volksgezondheid 1988: 'De beoordeling van toerekeningsvatbaarheid' [Assessing legal responsibility of mentally ill]
 Schloessmann Award (€ 1500), from the Max Planck Institute for Adaptive Behavior and Cognition, Berlin, November, 1998, for "*outstanding research paper*" on "The assessment of health damages and compensation in cases of legal liability"

PhD projects supervision:

Esther vd Bos: *Implicit learning*, Graduation June 2007
 Jun Lai: *Learning a complex grammar: a theoretical and experimental study*, Graduation February 2013

Teaching and Master Thesis Supervision:Courses currently taught, designed, and coordinated:

- *Cognitive Psychology*: Undergraduate course; lectures for Dutch (500) students and International students (120) students, in Dutch and English.
- *Consciousness*: Undergraduate course (550 + International 120 students); workgroup lectures and general course organizer. Leader of the innovation project Blended Learning for this course. I developed an academic writing educational program, with students peer reviews (workgroups, writing education, students peer review).
- *Decision Making*: Graduate course for *Applied Cognitive Psychology* Master students. Lectures and exam. Taught and designed..

- *Cognitive Neuroscience of Language*: Research master course: partly taught and designed by me, exam and organization.
- Institute's coordinator of the Bachelor Thesis Psychology program
- Director of *Honours Research Bachelor Projects program, (program of excellence)* and of second years' *Honours Lectures* program.

Supervision of (Master) Thesis research

- Bachelor thesis Projects
- Research Master thesis supervisions.
- Applied Cognitive Psychology Master Thesis Research
- Research Projects for the Minor Brain and Cognition
- Honours Bachelor Project Thesis.
- Supervision of external internships e.g., at KLM, the National Police Agency.

Educational impact of Research

- My research is part of several text books, among which:
- Groome (2015), *Cognitive Psychology*, New York: Routledge
 - Eysenk & Keane (2005) *Cognitive Psychology*, Hove: Psychology Press.
 - My research (Poletiek, 1996) is part of Special Course Materials ("*Simulated Key Experiment*") published by Psychology Press, associated with the E&K text book.
 - Newell et al, 2015. Advisor and reviewer for the second edition (2015). *Straight Choices. Decision Making.*
